What does the supplementary assistance scheme cover?

Your supplementary assistance scheme provides:

- ✓ **cover for:**
 - up to £10,000 worth of treatment following dental injury
 - temporary emergency treatment whilst away from home in the UK or abroad (up to the limits specified)
 - the call-out fee charged by a dentist opening their surgery to treat you in an emergency (up to the limits specified)
- ✓ **hospital cash benefit if under the care of an oral/maxillofacial surgeon**
- ✓ **cash benefit if diagnosed with oral cancer**
- ✓ **24 hour access to a worldwide emergency helpline**

The supplementary assistance scheme is designed to cover the cost of *temporary emergency treatment whilst you are away from home* and therefore excludes the cost of emergency treatment carried out by your own dentist, a rota dentist, or any other dentist within a 15 mile radius of your practice. However, call-out fees charged by any dentist to open their surgery (including your own dentist) are recoverable up to policy limits. In the event of a dental injury, treatment carried out by any dentist (including your own dentist) is covered up to policy limits.
