Our fees

Williams Dental Care Plan members receive **10%** off normal private fees and free weekend emergency call outs

This leaflet gives a guide to our fees. Due to the large amount of treatments that we offer, we can't provide a price for every type here. If the treatment you require is not listed, please contact our surgery and we'll be able to give you the cost.

How to join our practice

To register or join the Williams Dental Plan, please call into reception with your current account details and speak to our friendly and helpful staff. Alternatively just call us for further info on:

01672 513845 or **01488 684142**
